

ABOUT THE STATE

HAPPENINGS OF INTEREST FROM DIFFERENT SECTIONS

The house of Edward Naylor at Essex Junction was struck by lightning Monday night and burned.

Mrs. Madeline Burgess Cooley is the first Burlington woman to enlist as a student volunteer nurse.

Bernard Cooney, son of Mr. and Mrs. B. Cooney of North Dorset, was drowned recently in New London, Conn.

G. Frank Hendes, a resident of Pittsford, who has represented his town in the legislature, is a candidate for the appointment as senator from Rutland county.

Joseph Brown, jr., who was injured in Bristol, while working on logs, died July 30 at the Fanny Allen hospital in Winooski. He was alone at the time of the accident, so it is not known how it occurred.

A barn belonging to August Hudson in Newport was burned to the ground with 60 tons of hay July 29. The loss is only partially covered by insurance. Wires from an electric motor caused the fire.

Mrs. E. P. Waite and her daughter, Martha, are recovering at the Rutland city hospital from poisoning caused by eating currants which had been sprayed with poison to kill worms. They were violently ill.

The Rutland Ice company, which had run out of ice and stopped delivery to customers, has been able to purchase from the Eddy company, competitors, at a rate that will permit the former to continue in business.

Frank S. Baker, Canadian customs officer at Newport for six years, has resigned and gone to Burlington, where he has a position. His place at Newport is taken by James C. McLeod of Brockville, Ont., a returned Canadian soldier, who has seen three years' service in France.

Among army commissions announced July 30 were those of the following Vermonters: Wendell E. Goodrich, Norwich, second lieutenant, air service, aeronautics; William T. King, Jr., Bethel and Oscar W. Tyler, Marlboro, enlisted men to be second lieutenants, air service, aeronautics.

C. E. Snow of Bennington lost a horse worth \$200 and suffered two cracked ribs himself when the horse which was out exercising, hitched to a cart, tried to speed, and when Mr. Snow tried to hold it in, it supposed a blood vessel in the animal's head broke, as it plunged into a ditch and broke its neck.

The largest pike taken from the Connecticut river this season was caught at Brattleboro by George Bishop and Charles H. Davis last Sunday. It measured 38 inches in length and weighed upwards of 15 pounds. The head and larger part of the body of a fish several inches long were found stuck in the pike's mouth.

The venerable mills of Nelson & Hall company in Samosville, near Enosburg Falls, which were destroyed by fire Saturday, are being rebuilt, and the new plant will be on a larger scale than ever before. It has been decided that the fire started in the boiler room and the dryness of the waste water scattered through the building caused the fire to spread rapidly.

Charlotte has a young ladies' military company, with white uniforms, and last Sunday the company marched in a body to the Congregational church, where it pledged allegiance to the flag. A special service followed. The company went Tuesday to Middlebury to give its military drill, assisted by the signal corps and a band from Fort Ethan Allen, for the benefit of the Red Cross. During the next month the company plans to visit a number of the larger towns of the state for the same purpose, the benefit of the Red Cross.

Rev. S. W. Anthony, who is doing Y. M. C. A. work in France, has resigned the pastorate of the Congregational church in St. Albans, and the resignation was read at the service last Sunday morning by Rev. A. C. Ferrin, acting pastor. No action has been taken on the resignation. Mr. Anthony stated that he had signed for service during the duration of the war and that as there was no immediate prospect of his return home he felt it his duty to tender his resignation.

ABSENT WITHOUT LEAVE.

Orleans Soldier Returned to Devens After Night in Jail.

Orleans, Aug. 1.—Word was received here Tuesday morning by Chief of Police Albert D. Reede that Harold Ramsdell, whose wife and children are living in Barton, and whose mother resides in Orleans, was absent from Camp Devens without leave.

He was found by Deputy Sheriff B. O. Smith at the home of his mother in Orleans. Ramsdell was put in the local jail until the guard from Camp Devens arrived and was taken to Camp Devens on the morning mail train Wednesday.

GORED BY BULL.

Greensboro Farmer Viciously Gored and Trampled.

Greensboro, Aug. 1.—Walter Garvin is confined to the house with serious injuries received from an attack by a bull. The animal suddenly became angry and gored and trampled him. His injuries might have proved fatal, had not Mr. Garvin's father been near and driven the bull away with a pitchfork.

A BARRE MAN

GIVES EVIDENCE

His Testimony Will Interest Every Barre Reader

The value of local evidence is indisputable. It is the kind of evidence we accept as true because we know we can prove it for ourselves. There has been plenty of such evidence in the Barre papers lately, and this straightforward testimony has established a confidence in the minds of Barre people that will not be easily shaken.

A. W. Donaghy, blacksmith, 7 Merchant street, says:

"I have used Don's Kidney Pills whenever I have felt any touch of lameness in my back and when the kidney secretions have been disordered. Sometimes I have had to pass the secretions too often. I have found that Don's are the only medicine that helps me."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Don's Kidney Pills—the same that Mr. Donaghy had. Foster-McBirney Co., Mfrs., Buffalo, N. Y.—Adv.

HAS HAD TYPHOID FEVER.

Major Edward W. Lee of the Medical Reserve Corps.

San Juan, Porto Rico, Aug. 1.—Major Edward W. Lee, of the medical reserve corps, who was one of the physicians called to attend William McKinley when the president was shot at Buffalo, has been seriously ill with typhoid fever. He is attached to the base hospital. Major Lee came to Porto Rico about three months ago with the first group of reserve officers assigned to the hospital. Prior to entering the reserve corps he had been for years a surgeon in New York City. The fact that he is the only one of the officers coming from the North who has been attacked by typhoid is regarded as interesting from a medical viewpoint for the reason that he was the only one of these officers who did not take the typhoid vaccination. It has been a popular theory among medical men that for persons over 40 or 50 years of age vaccination was not necessary, as the likelihood of their contracting the disease was very slight. Major Lee is a man of perhaps 50 years.

Cataract Deafness Cannot Be Cured

local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrh of the ears, and that is by a constitutional remedy. Catarrh of the ears is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a running sound or imperfect hearing, and when it is closed Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surface. Halls' Catarrh Medicine acts through the blood in the mucous surface of the system.

We will give One Hundred Dollars for any case of Catarrh of the ears that cannot be cured by Halls' Catarrh Medicine. Circulars free. A. J. Chas. & Co., Toledo, O.

ON CARD SYSTEM.

All of Windham County to Buy Sugar in That Way.

Brattleboro, Aug. 1.—The whole of Windham county went on the card system in the sale of sugar to-day. A mutual agreement has been reached among the dealers in the county and orders have been issued by County Food Administrator John J. Vanderveer for the system to go into effect Aug. 1.

Each grocer and other dealer in sugar has been furnished a supply of cards, and the grocer will furnish a card to each family. No sugar will be obtainable without this card, and only one card will be supplied to a family.

Around the margin of each card are the dates covering August and September, and under each date the figures 1, 2 and 3, which are to represent pounds of sugar. When a person buys sugar the figure corresponding to the number of pounds bought will be punched under the proper date.

The card will contain each family's name or number and the grocer will keep a record of all sales. Each day the grocer will return to the local food administrator the list of sales for the previous day so that duplicate cards can be kept by the administrator. These duplicate cards will be kept on file, properly indexed, so that if any family succeeds in getting two cards the fact will show up at the administrator's office.

For this purpose quarters are being set apart in the farm bureau and board of trade rooms in the town hall building, where Mrs. Alfred Hitchcock will act as secretary for the food administrator each forenoon from 9 to 12 o'clock and where the grocers will return each day a record of the sugar sales for the day before.

A year or two ago some of the Brattleboro grocers voluntarily issued sugar cards for their own convenience and protection, but this is the first time that such cards have been issued by the food administrator.

A DAGGER IN THE BACK

That's the woman's dread when she gets up in the morning to start the day's work. "Oh how my back aches!" GOLD MEDAL Haarlem Oil Capsules to-day ease the backache of to-morrow—taken every day and the backache for all time. Don't delay. What's the use of suffering? Begin taking GOLD MEDAL Haarlem Oil Capsules to-day and be relieved to-morrow. Take three or four every day and be permanently free from wrenching, distressing back pain. But be sure to get GOLD MEDAL. Since 1898 GOLD MEDAL Haarlem Oil Capsules have been the National remedy of Holland, the government of the Netherlands having granted a special charter authorizing its preparation and sale. The household of Holland would almost as soon be without bread as she would without her "Real Dutch Drops," as she quality calls GOLD MEDAL Haarlem Oil Capsules. This is the one reason why you will find the women and children of Holland so sturdy and robust.

GOLD MEDAL are the pure, original Haarlem Oil Capsules imported direct from the laboratory in Haarlem, Holland. But be sure to get GOLD MEDAL. Look for the name on every box. Sold by reliable druggists in sealed packages, three sizes. Money refunded if they do not help you. Accept only the GOLD MEDAL. All others are imitations.—Adv.
